# Wedding Testimonials

Absolutely fabulous had my wedding venue here and couldn't of asked for more as everything was perfect exactly the way I had hoped it would be and staff were brilliant and very welcoming couldn't of asked for more from all at Clayton especially Sandra wedding co-ordinator x - **Lisa and Philip 13.07.19**

\*\*\*\*\*

The Perfect Wedding. We would like to thank all at The Clayton Hotel for giving us such a wonderful Wedding Day. We had 100 guests stay at the hotel for 3 nights, the wedding celebrations started from the moment they stepped off the coach from the airport, where they were greeted with champagne, canapes and a smile. The service throughout the hotel was exemplary from staff in all areas, our guests were extremely well looked after all weekend. Our Wedding Day was extra special, with our ceremony in the Chapel in the grounds of the hotel, followed by a drink's reception then the wedding reception in the ballroom. The meal in the evening was outstanding with plenty of it, followed by a lovely buffet, our guests were very well fed all day, and the ones that had the roast beef couldn't stop talking about how amazing it was. We cannot thank Sandra O'Hara enough, the wedding manager, for giving us such a special day, her professionalism and efficiency made the whole day go so smoothly, which allowed us to enjoy our day as well, nothing was too much trouble. We would highly recommend The Clayton Hotel, Sligo for a Wedding, with its idyllic grounds, superb staff, fantastic facilities, amazing food, and great accommodation, everything in one place this is the perfect location for a wedding. All our guests have not stopped talking about what a wonderful wedding and weekend they had. Thank you all so much. - **Jacqui and Mick 28.06.19**

Can't say anything bad about The Clayton Hotel Sligo, we had our wedding reception there on the 11 of May and it was just amazing. We can't thank the staff enough for all they done. Sandra the wedding co-ordinator was so helpful through the whole experience. Thanks again everyone for helping our day go so smooth. We are so happy we picked The Clayton Hotel as our wedding venue. – **Rachel and Damien 11.05.19**

Myself and my husband had the absolute best day at our wedding!! From start to finish they pulled everything together for us. - **Sinead and Liam 10.05.19**

\*\*\*\*\*

We had our wedding in the Clayton hotel Co Sligo on the 4th of May 2019, and all I can say is that it was the best day of our life's. From start to finish nothing was a problem everything was on time and our guests would give 10/10 for time and great food served on the day. Sandra is the wedding and events manager

and she was a dream to work with, she made the whole planning of our wedding so easy and stress free. The Clayton hotel really went above and beyond to make our dream wedding come true. And I want to thank Sandra so much for helping us achieve this magical day. **Melissa & Colin 04.05.19 x**

The day we went to visit the Clayton in Sligo for their wedding fair, we knew instantly they were the venue for us. The venue itself was a beautiful building, their Pegasus ballroom was stunning. From our initial booking right through until we checked out of the hotel, the support and help we received from the staff at the Clayton was exemplary. Sandra, Voytek and the team at the Clayton were with us every step of the way, providing help as well as suggestions on vendor contacts, food tasting recommendations, right through to saying yes to any ask or changes we requested. Our wedding day was seamless and thoroughly enjoyed by all our guests, the food in particular was raved about by all our guests (especially the beef). I would highly recommend the Clayton Hotel as a potential wedding venue for any couple to consider, having the perfect combination of an intimate personal wedding ceremony situated in stunning hotel with a beautiful ballroom to entertain your guests afterwards. **Amanda & Daryl Brennan .03.05.19**

We had our wedding here in The Clayton Hotel Sligo on Friday April 5th. I cannot recommend the hotel highly enough. From the day we booked our wedding, Sandra the wedding and events manager was at the end of the phone day and night and even responded to my emails on her day off...what a pro. She made the whole experience from start to finish so stress free and easy. The hotel is beautiful, the staff are fantastic and the food was amazing. All our guests are still talking about it. Being from Co. Meath, we had a lot of people travel to Sligo and every last one has said they will definitely return for a stay here. I really can't sing its praises enough and highly recommend it. Well done the Clayton Hotel – **Sean and Mandy April 2019**

\*\*\*\*\*

What can we say that will do enough to compliment the Clayton hotel. Everything from start to finish was excellent. From the preparation right up until the big day everything we requested was met with no problems. Sandra and Voytek and all the staff went to great lengths to ensure our big day went smoothly. Thanks so much from both of us. Would highly recommend to any couple.- **Darren and Audette March 2019**

We had our wedding in the Clayton Hotel Sligo this NYE. From start to finish the customer service was 5 star. Sandra O'Hara (Wedding Coordinator) attended to every detail, promptly replied to all emails & put this bride at ease throughout the planning, Sandra is a natural wedding planner & is such a lovely, friendly and jovial person an asset to front of house for sure. Also, who can forget the lovely Voyteck, don't worry he'll ensure you don't...his humour and attention to detail especially on your wedding day, ensuring the smooth running of everything is fantastic. From Noel's excellent customer service and pleasantries, Norma & Sebastian's scrumptious & very memorable food, which guests continue to rave about (esp.) the slow cooked beef (A+) still remember the taste

yum!!! When a guest who's a serious beef farmer compliments the beef to a high standard you know it's good. What initially won us over to choose the Clayton in Sligo over many wedding venues we visited in the west, was definitely the staff, not having to sit in the reception to discuss wedding plans as hotel guests walk through, instead directed to a beautifully decorated private wedding room, & every time you visited the hotel over the course of the year, the staff always greeted you by name, the personal touch beats any we've experienced in numerous wedding venues we visited & we visited a lot..... Thank you so much Sandra and all the staff at the Clayton, we'll look forward to many future stays at the Clayton and our return visit for our anniversary next year.xx

They make a great team and made our stay a memorable one. From reception, to dinner, to the cutting of the cake & partying on til the early hours...counting in the New Year to fireworks. The staff were so attentive and thoughtful. The food was delicious, very high standard and level of commitment, their customer service was outstanding! Thank you Sandra & Voytek for everything. We will definitely be returning! **Heather December 2018**
